MEMORANDUM FOR THE RECORD

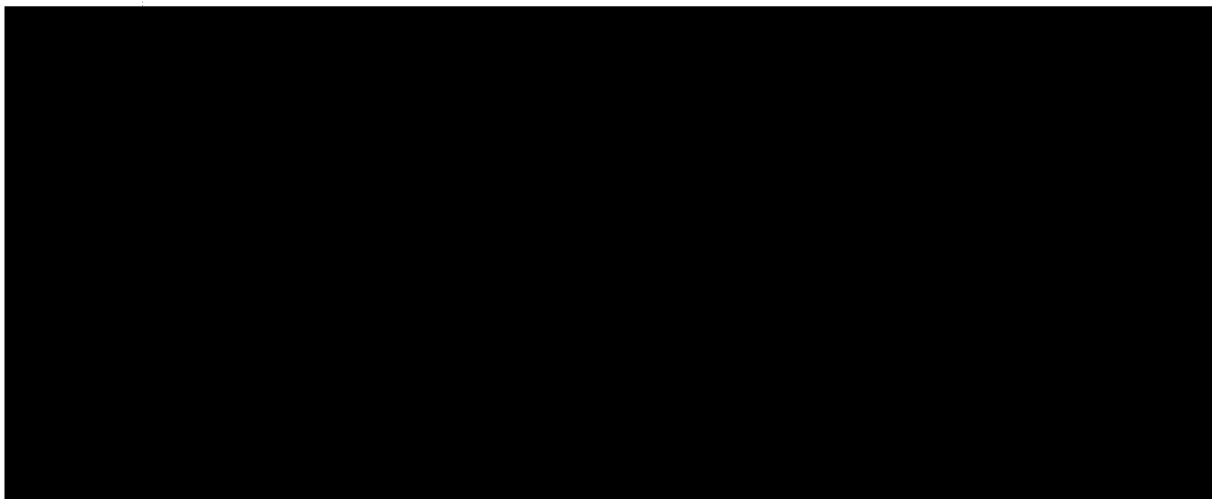

SUBJECT: Concurrence in Amendment No. 2 to Contract HF-8140,
Westinghouse Electric Corporation, Baltimore, Md.,
Project [REDACTED]

25X1A

1. This memorandum contains a recommendation submitted for approval of the Project Director. Such recommendation is set forth in paragraph 6.

2. Contract No. HF-8140 provides for field maintenance both locally and overseas, of Radar Mapping Systems for the Air Force for the period 1 May 1957 through 30 June 1958. Under the terms of the contract, the price established at the outset of the contract is subject to redetermination when a certain point is reached. Having reached this point, the parties have redetermined the price for all the work and the purpose of Amendment No. 2 is to evidence this negotiation and price revision.

on 15 December 1956, which in effect, results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.

6. Approval of Amendment No. 2 to Contract No. HF-8140 and execution thereof on behalf of the Agency by the authorized Project Contracting Officer is recommended.
